

Angler C.P.R. regulations for the P.I.E Fishing Tourney

- All Photos to be used as the submission for your team must be uploaded into the iAngler Tournament App
- All state fishing and boating laws apply
- All fish must be caught by hook and line
- ALL fish must be photographed with a digital camera/phone on Official Tournament Measuring Device issued at Captains Meeting. Fish MAY BE ANY LENGTH.
- Must have nose of fish on LINE 0, line must be visible
- Pinch Tail encouraged
- IAngler Tournament App will allow you to submit multiple photos for each species but it will only keep the longest one for the submission for each species.
- The longest per species photo will automatically be entered as their photo for the Big Fish Categories. (Snook, Redfish, Trout)
- Wade fishing is ALLOWED - No dropping off anglers at spots and coming back later to pick them up. The use of a combustion engine is prohibited while there is an angler in the water.
- No exchanging bait/fish between boats.
- Honor Start from any launch. No lines in the water prior to 7am.
- Submission for photo's begins at 8am– All Teams must have photos submitted by 3pm for final submission... NO EXCEPTIONS.
- Tie breaker will be determined by the time first photo was submitted.
- Keep track of your photo submissions on your team card if you have any discrepancies, you will need this.
- The Tournament Director has the final decision in all disputes.
- Be courteous to all Officials and Participants!
- Be safe and most importantly have FUN!!!!
